

JOY to the world, the LORD is come!

Christmas 2008

Dear Friends,

As we near the Christmas season we remember that this is a time to celebrate. We celebrate the birth of Christ! This is a time to give thanks. We give thanks for the gift of abundant life that He came to give us. This is the time to remember. We remember those in our lives (many of you) who have meant so much to us and helped us in our walk with Christ and our work of serving Him in Africa. Let us celebrate together the Christ who came to bring us abundant life and to show us how to live successfully with joy and purpose and peace.

We are currently in the States for a few weeks. We were able to be involved in the Florida Family Camp which met over the Thanksgiving weekend. Now we are in the cold state of Indiana, slipping and sliding around the state, speaking and visiting friends and family. Brian and Nathan arrived last week as well, and we were able to spend a few days in Colorado with them for a family skiing trip! We will be with Kendra's family for Christmas, then return to Zambia on December 28th.

The work at Kafakumba Training Center in Zambia continues to go forward. Six hundred bags of cement arrived last week- cement we had been waiting for for several weeks- so this will allow the construction work to continue. After the new year the push will be on to complete **several** of the projects before the pastors arrive for Pastors' School in May.

Wishing you God's direction, peace and joy through this Christmas season and throughout the coming year.

Together in Christ,

John and Kendra Enright
